ACMP CHAMBER MUSIC PLAY-IN & POTLUCK MARCH 2

Would you like to be part of a worldwide chamber music Playin by joining a group in Carson City on March 2? The Chamber Music Network (ACMP, formerly American Chamber Music Players) is planning a Worldwide Play-in event on the weekend of March 2 and 3. On its website, ACMP said, "We hope that throughout the weekend of March 2-3, 2013, somewhere on the planet, ACMP members will be playing chamber music together!"

Our ACMP Play-in will be Sat., March 2, 4:00 p.m., at 1219 S. Carson St. at the Carson Mall. The Play-in will be followed by a potluck. Non-member musicians are welcome to participate. Bring your own music stand and a dish to share for the potluck. We will provide beverages.

Is this just for string players? No, anyone who can read or transpose strings parts can join. We are still selecting music, but, depending on who responds, we may do a Brandenburg concerto with flute part(s). We are not strict about how many play on a part - it's for fun! We will provide links to public domain music that participants can download, once we have selected the music. To participate, call the Symphony at 775-883-4154 or email ehbugli@aol.com. Reservations are required.

WE NEED

Carson City Symphony Association is a low-budget organization with no paid administrative staff. Our main expenses are concert-hall rental, guest soloists' and conductors' honoraria, music rental and purchase, insurance, printing, mailing, marketing, and other operating expenses.

Through the years, through purchases and donations, we have acquired symphonic and choral music libraries, shell and risers, percussion equipment, a trailer to transport equipment, file cabinets, and instruments for students whose families cannot afford purchase or rental costs. However, as we grow, more items are needed. Our current needs are for:

- Two tables (folding tables okay) for rehearsal studio.
- Many chairs with no arms, preferably padded (folding (folding okay) for studio.
- A sturdy stand for electronic keyboard.
- More string instruments for students violins, violas, cellos, basses.

If you have any of these items to contribute, please call the Symphony at 775-883-4154.
