**Joyful Noise Carson Children's Choir is an educational program of the Carson City Symphony Association. Instead of a tuition fee, we request that you join the Carson City Symphony Association. Your membership fee helps offset the cost of music, supplies, insurance, instructor's stipend, and more: <http://ccsymphony.com/membership.htm>*

- *This choir will give your child the opportunity to learn basic music concepts of rhythm, pitch, dynamics, expression, melody, and performance in cooperation with a small group. The Joyful Noise choir will sing a variety of tunes—hymns and folk songs and silly, playful pieces as well as explore small pitched and non-pitched instruments.*
- **All children are welcome to participate.**

Rehearsal Format: *Each rehearsal will include some of the following elements:*

- *welcome songs, vocal warm-ups, and melodic exercises using solfege syllables and hand symbols, and rhythm games*
- *simple movement to songs exploring tempo, steady beats, pauses, and dynamics in healthy singing voices*
- *learning and rehearsing performance pieces*
- *introduction and play with music notation and music reading*

Commitment: *Children will be expected to commit to the choir through December 2019. Those who cannot attend at least 12 of the 14 rehearsals and BOTH the dress rehearsal and the concert should join the choir in future seasons. We need all the sweet voices to come and prepare weekly for a rewarding recital at the end of the season. In order for all students to get the most out of this experience, the parents of the younger ones are asked to remain on site during all rehearsals and retain full responsibility for their children.*
